Dear Mr. Brown

On behalf of the Michigan State University College of Veterinary Medicine, I wish to express our appreciation for your generous gift in the amount of \$647.00 to the Veterinary Oncology Center Programs Fund.

As State funding for higher education continues to shrink, the needs of the college are increasing. We are ever more dependent on funding from the private sector. Thank you for contributing to our excellent programs of education, research, and public service.

Sincerely,

Christopher M. Brown
